Tequila Reserva de la Familia Extra Añejo, Jose Cuervo £12.00  
 This tequila shows how misguided stereotypes of tequila can be. Jose Cuervo Reserva de la Familia is one of the first extra-añejo tequilas to come onto the market. It is created exclusively from hand-cultivated blue agaves, harvested when at full maturity, after seven to twelve years of growth. This high quality tequila has been aged in French and American oak barrels for at least three years.
